

Resilient Lady, right here, right now in Portsmouth

Eat, sleep, rave, repeat for Resilient Lady as she sailed past Portsmouth's infamous Victorious Festival during Fat Boy Slim's set on Friday evening, heading for Amsterdam on a four-night cruise.

Virgin Voyages newest addition to the fleet, Resilient Lady, started her first UK arrival as she means to go, getting caught up in revelry as 80,000 festival goers from Victorious enjoyed Fat Boy Slim's headline slot.

Displaying a supportive message for the crowd, Resilient Lady showed she was right at home in Virgin Voyages' UK port of choice.

The ship will be back in the city on Tuesday 27 August.
